Division: Institutional Advancement

Prepared by: Diane Schwartz

Date: August 26, 2013

Annual Assessment Results and Recommendations Report

Overall summary of Division data results: Division VPs please state summary in terms of actions aimed at improving institutional effectiveness.	Implications for resources needed/budget allocations (Must be tied directly to data reported in Assessment Reports).	Strategic Plan goal(s) supported (2013-2020).
Foundation: Goals met & on track to complete infrastructure rebuilding of Foundation/IA. Cultivation & stewardships programs in place – final new staff member being recruited now. **Alumni Relations**: Data focus noted but results through consultant's work was not effective enough re: alumni email and employment information	**Foundation**: No Requests **Alumni Relations:** Need for additional staff support to accomplish key research and outreach to alumni through email & business is needed. Recommend hiring Academic Specialist to assist. $16 x 15 hrs / wk =$240/wk=$12,000/yr	**Foundation**: Fund Raising supports University Strategic Plan Goal #7 **Alumni Relations:** Strategic Plan Goal #7is supported by a more engaged and connected alumni base
Summary of Program/Department needs based on data results.	Implications for resources needed/budget allocations priorities.	Strategic Plan goal(s) supported (2013-2020).
Foundation: Based on progress of rebuilding, no needs at this time. **Alumni Relations**: Data focus noted but results not effective enough with consultant efforts re: alumni email and alumni employment information collected; only 7% improvement achieved in email info and 7% in employment info.	**Foundation**: No addition requests **Alumni Relations**: Staff efforts and attention would produce greater success for the data needed: key info in maintaining contact and supporting growth of alumni functions and support. Academic Specialist position recommended.	**Foundation**: Fund Raising supports University Strategic Plan Goal # 7 **Alumni Relations**: Alumni Relations and this effort supports the University Strategic Plan Goal # 7
