# **STUDENT ASSISTANT HIRING POLICY & PROCEDURE**

Students are to seek employment through the Office of Human Resources. Departments interested in hiring student assistants must obtain approval from the Budget Office and make the hiring request to the Office of Human Resources.

If this request is approved, departments must submit a student authorization to hire form and job description to the Office of Human Resources. Departments should not commit to a student's salary without approval from the Office of Human Resources. The department must contact the student once he/she has been selected and instruct him/her to report to the Office of Human Resources to complete the hiring process.

The student will be required to submit an HR Application, W-4 Form and I-9 Form including work eligibility documentation. All Students are required to present their original Social Security Card and Photo ID to be copied and kept on file.

International Students are required to submit proper documentation to establish either Identity or Employment Eligibility (i.e. I-20, I-94, N-550 etc.). Failure to submit proper documentation will result in forfeit of the student worker position.

If any employment documentation is missing or incomplete, a notification email/letter is sent to the student or department giving them two weeks to complete the missing documents. If the missing documents are not completed within the two week period, this will result in forfeit of the student worker position.

Kean University policy prohibits students from holding more than one position/title on campus simultaneously.

Students must be registered for classes to be eligible for student employment, and must stop working upon graduation.

Student employment is on a semester to semester basis as required by the hiring department and approved by the Office of Human Resources.

Student Assistants can work a maximum of 20 hours per week.
