

Transfer students enter Kean University as *intended* majors. To declare a major, you must meet the admission requirements of the major (see chart below indicating required Kean GPA and minimum grades in specified courses, if any). Some major programs have additional entrance requirements, such as interviews and/or passing scores on required tests. Most College of Visual and Performing Arts major programs require an audition or portfolio review. Click on the name of each College in the chart below for more information about the major programs the College offers. Click on the following links for more information about:
