

**Curriculum Map**

Course to Program/Discipline Level Student Learning Outcomes

**BS in Accounting, Finance, Management, Marketing**

**School of Management, Marketing & International Business  
School of Accounting & Finance**

**College of Business & Public Management**

The business curriculum prepares students to achieve the expected student learning outcomes identified by the program or discipline. The following table demonstrates how learning activities in specific courses map to these learning outcomes.

Key: I-Introduced                      R-Reinforced                      M-Mastery                      A-Assessment evidence collected  
1 = Academic Year 2011-2012                      2 = Academic Year 2012-2013

Business Core & additional required courses		Program Learning Goals						
		SLO1	SLO2	SLO3	SLO4	SLO5	SLO 6	SLO7
