Curriculum Map –AY 2012-2013

B.A. Fine Arts

The B.A. Program in Fine Arts is a liberal arts major providing a background in studio art that also includes study in art history, studio foundations, and various applications of art. Additional skills developed in this program of study include the knowledge and appreciation of art and aesthetics, oral and written communication, creative and critical thinking, and cultural awareness and sensitivity. It provides for specialization in a selected studio area and emphasizes personal growth in the critical, creative, technical and professional aspects of the studio arts. The program also aims to develop students' skills in critical thinking, oral and written communications. It also serves as preparation for graduate study and for related careers in the arts. The B.A. Fine Arts Program at Kean University has several related goals that are aligned with the University Mission as evidenced in the student learning outcomes.
